- 4. The initial Quarterly Payment shall be deemed due as of the date indicated above and subsequent Quarterly Payments shall be due on the same day of each quarter thereafter until paid. The first payment we will charge you shall be a pro rata portion of the Quarterly Payment based on a daily charge of one-ninetieth (1/90th) or .01111% of the Quarterly Payment calculated from number of days from the Commencement Date to the start of the base term (the "Per Diem") and shall be due and payable on a date selected by Creditor. Debtor acknowledges that: a) Creditor may charge up to ninety (90) days of Per Diem; and b) **the Per Diem is not credited against the Quarterly Payments and is in addition to the Term indicated above.** All Quarterly Payments, Per Diem and other payments due under this Agreement or any other agreement with us (collectively "Obligation" or "Obligations") are payable in U.S. dollars, and may be adjusted upward or downward no more than ten percent (10%) to reflect actual costs. All other amounts due thereunder shall be due upon Debtor's receipt of Creditor's invoice. Advance payments, which are the first and last Quarterly Payments, may be applied to the Obligations at Creditors discretion. Debtor acknowledges that, if Creditor assigns this Agreement to a third party, the assignee is also authorized to debit any of the foregoing accounts outlined above. 13. TITLING. If requested by Creditor, Debtor shall cause an Item of Collateral subject to title registration laws to be titled as directed by Creditor. Debtor shall advise Creditor promptly as to any necessary re-titling. Debtor shall cause all documents of title to be furnished Creditor within sixty (60) days of the date of any titling effected by Debtor. All expenses, fees, costs and charges associated with re-titling to secure Creditors perfected lien rights shall be borne solely by Debtor and reimbursed to Creditor by Debtor.;

14. TAXES, CHARGES, AND FEES. Debtor agrees to pay when due all taxes (including personal property tax, fines and penalties) and fees that levied by any State, County or Federal Agency relating to this Agreement or the Collateral. If Creditor pays any of the above taxes on behalf of the Debtor, so as to reimburse Creditor for processing and administrative expenses and time, Debtor will pay a processing fee for each payment. In addition, Debtor also agrees to pay Creditor any UCC filing fees mandated by the Uniform Commercial Code or other law to protect and secure the Collateral and reimburse Creditor for all costs and expenses involved in documenting and servicing this transaction. An inspection of the Collateral will be conducted to evidence the condition of the Collateral and a fee will be charged for this service, which Debtor agrees to reimburse to Creditor. Debtor further agrees to pay Creditor an origination or loan Fee on or before the date the first Quarterly Payment is due, the purpose of this fee is to arrange in advance all the necessary funding sources and process credit and paperwork. Debtor also acknowledges that all such fees and charges are in addition to the Quarterly Payments, and that all such fees may not only cover Creditors costs but they may also include a profit or administrative expense reimbursement of processing.

15. INSURANCE. Debtor agrees to maintain, at Debtor's expense, "Special Form" property insurance protecting the Collateral for its full replacement value, **naming Creditor as a loss payee on a "Creditor's Loss Payable" endorsement;** and public liability insurance, in amounts acceptable to Creditor, naming Creditor as an additional insured (together "Required Insurance"). Debtor must provide Creditor satisfactory written evidence of Required Insurance within thirty (30) days of the commencement date of this Agreement or of any subsequent written request. If Debtor does not do so, Creditor may obtain insurance from an insurer of Creditor's choosing in such forms and amounts as Creditor selects ("Insurance"). Insurance covers the Collateral and Creditor only and not Debtor. Debtor shall pay Creditor periodic charges for Insurance ("Insurance Charges") that include: a premium that may be higher than if Debtor maintained Required Insurance separately; a finance charge of up to the implicit rate of this Agreement on any premium advances made by Creditor or Creditors agents; and billing and processing fees; each of which may generate a profit to Creditor and Creditor agents. If Debtor fails to pay billed Insurance Charges within 30 days of their due date, Creditor may pay them by applying funds paid under this Agreement or debiting Debtor's account under any previously authorized payment. At Creditor's election, in lieu of obtaining or continuing Insurance, Creditor may require Debtor to pay a quarterly additional fee up to 2% of the Collateral Cost. This fee is not only calculated with reference to additional risk and constitutes additional profit for Creditor, but represents the basis on which Creditor is willing to forbear from exercising remedies and continue this Agreement without Required Insurance. Debtor will receive no insurance coverage and will not be released from any obligations. **Creditor is not selling insurance.** Creditor will cease charging the additional fee or billing for Insurance 30 days after Debtor provides satisfactory proof of Required Insurance and compliance with this section.

16. CREDITOR'S PAYMENT. If Debtor fails to perform any of its obligations hereunder, Creditor may perform such obligation, and Debtor shall (a) reimburse Creditor the cost of such performance and (b) pay Creditor the service charge contemplated in paragraph 14.

17. INDEMNITY. Debtor shall indemnify, defend and hold Creditor harmless against any claim, action, liability or expense, including attorneys' fees and court costs, incurred by Creditor related to this Agreement. 18. DEFAULT. Any of the following constitutes an event of default hereunder: (a) Debtor's failure to pay any amount hereunder, within three (3) business days of when due; (b) Debtor's default in performing any other obligation hereunder or under any agreement between Debtor and Creditor; (c) death or judicial declaration of competency of Debtor, if an individual; (d) the filing by or against Debtor of a petition under the Bankruptcy Code or under any other insolvency law or law providing for the relief of debtors, including, without limitation, a petition for reorganization, agreement or extension; (e) the making of an assignment of a substantial portion of its assets by Debtor for the benefit of creditors, appointment of a receiver or trustee for Debtor or for any Debtor's assets, institution by or against Debtor of any other type of insolvency proceeding or other proceeding contemplating settlement claims against or winding up of the affairs of Debtor, Debtor's cessation of active business affairs or the making by Debtor of a transfer of a material portion of Debtor's assets or inventory not in the ordinary course of business; (f) the occurrence of an event described in (c), (d), or (e) as to a guarantor or other surety of Debtor's obligations hereunder, (g) any misrepresentation of a material fact in connection herewith by or on behalf of Debtor; (h) Debtor's default under a lease or agreement providing financial accommodation with a third party or (i) Creditor shall in good faith deem itself insecure as a result of a material adverse change in Debtor's financial condition or otherwise.

All remedies are cumulative. Any sale may be adjourned by announcement at the time and place appointed for such sale without further published notice, and Creditor may, if permitted by law, bid at any such sale.

20. LITIGATION EXPENSES. Debtor shall pay Creditor its costs and expenses not offset as provided in paragraph 19, including repossession and attorneys' fees and court costs, incurred by Creditor in enforcing this Agreement. This obligation includes the payment of such amounts whether an action is filed and whether an action which is filed is dismissed.

21. ASSIGNMENT. Without the prior written consent of Creditor, Debtor shall not sell, lease or create or allow any lien other than Creditor's security interest against an Item of Collateral or assign any of Debtor's obligations hereunder. Debtor's obligations are not assignable by operation of law. Consent to any of the foregoing applies only in the given instance. Creditor may assign, pledge or otherwise transfer any of its rights **but none of its obligations** hereunder without notice to Debtor. If Debtor is given notice of any such assignment, Debtor shall acknowledge receipt thereof in writing and shall thereafter pay any amounts due hereunder as directed in the notice. The rights of an assignee to amounts due hereunder shall be free of any claim or defense Debtor may have against Creditor, and Debtor agrees not to assert against an assignee any claim or defense which Debtor may have against Creditor.
